  - A. **Procedural Documentation:**
    1. Intake Template Forms:

      - Dr. Moy suggested a review in one year, based on experience with the forms.
      - Dr. Roesser inquired on the type of guidance that can be given by the Intake Officer during a hearing process.
      - Mr. Baumler explained that when a Complainant submits an intake form, the Intake Officer notifies the Respondent and the Pennsylvania Human Relations Commission. If the Respondent does not reply to participate within 30 days, the case is closed. If the Respondent participates, then the Commission will contact a mediator to resolve the dispute. If mediation is agreed to but cannot decide on a mediator, only then would the Commission research the factual basis of the complaint.
      - Mrs. Price inquired on the relevancy of pay rates on the employment intake form. Mr. Baumler explained that it is to acquire a baseline of information for a mediator to reach a remedy or compensate damages.
      - **Dr. Worth-LaManna made a motion, seconded by Dr. Moy, and the Commission approved by a vote of 5-0 the template intake forms.**
    2. Complaint Notification Template Letters:

      - Mr. Baumler confirmed that the Township Solicitor is available for questions, the Ordinance is to be used as a guideline, and advised them to participate in trainings.
