Before dropping mail-in or absentee ballots into the drop-off box, voter must make sure their completed ballot is placed inside the smaller, secrecy envelope first. Then, put the sealed secrecy envelope into the official return envelope and complete the voter declaration on the back. Ballots that are not in both envelopes cannot be counted per Pennsylvania Election Code. Pursuant to the Pennsylvania Election Code, voted ballots may only be returned by the individual voter and not by any other individuals. All drop box locations are monitored using CCTV video surveillance. Anyone depositing a ballot that does not belong to them will be referred to the District Attorney's Office.

If a voter has an illness or disability that will prevent them from dropping off their ballot, they can designate an agent to pick up or drop off their ballot. The agent can only pick up or drop off ballots for voters who are in the same household, and the ballot can only be picked up and dropped off to Voter Services, 425 Swede St., Norristown, PA. The first page should be signed by the agent, and the second page should be signed by the voter. The Certification of Designated Agent form can be found at [www.montcopa.org/VoterServices](http://www.montcopa.org/VoterServices).
